Sir:

This Preliminary Amendment is to be considered with the RCE filed on October 16, 2002. No new matter has been added. Reconsideration the claims is respectfully requested.

IN THE CLAIMS:

Please AMEND pending claims 1, 7, 9, 13, 17, 21, and 25 in accordance with the following:

1. (AS FOUR TIMES AMENDED) An electronic news system for managing an electronic message and a reply to said message, comprising:
storage means for storing data for a fixed form reply, stored separately from the electronic message;
output means for outputting the message with said data for a reply to the message, said data for a reply independent of the message and inputted separately from the message; and
control means for accepting only a selection out of the outputted data for a reply as the reply to the message.

7. (AS FOUR TIMES AMENDED) an electronic news system including a client apparatus and a server apparatus which manages an electronic message and a reply to said message transmitted from the client apparatus, said client apparatus comprising:
